Without limiting the generality of the foregoing, Food Services shall ensure that:

- (1) its standard-form licence and all Franchise Agreements entered into after the date hereof, identifies Partnership as the owner of the A&W Marks and Food Services as the franchisor or licensor (and not as Partnership's agent) under any such licence or Franchise Agreements, provides an indemnity by all Franchisees or other licensees in favour of Partnership comparable to the indemnity provided in such agreement to Food Services, contains provisions comparable to the provisions of Section 5.2, and further provides assurances by such Franchisee or other licensee to cooperate with Partnership in obtaining and maintaining registration of the A&W Marks; and
- (2) either its standard-form licence and all Franchise Agreements entered into after the date hereof, requires all licensees and/or Franchisees in any A&W Mark Advertising conducted by any of the same to provide notice, where reasonable to do so, both of Partnership's ownership of the A&W Marks and of the fact that such A&W Marks are being used under licence; and
- (3) all licences that grant the right to grant further sublicences contain similar covenants to obtain for the benefit of Partnership and Food Services similar covenants to those set out in this Section.

Section 2.3 Exclusions

Food Services shall have no right to:

Without limiting the foregoing, Food Services shall ensure that any Affiliate that uses any A&W Mark in its corporate name or tradename shall agree to be bound by the terms of Section 5.2 and Section 5.5 as if such Affiliate were Food Services hereunder.

Section 2.5 Territory

Notwithstanding anything else in this Agreement, this Agreement applies to the A&W Marks in the Territory only.

ARTICLE 3 REMUNERATION

For greater certainty, Food Services shall owe no remuneration to Partnership for the right to use and exploit the A&W Marks except those payable on Gross Sales by A&W Outlets.

Section 3.4 Late Payments

Any payment by either party that is not paid on or before the date such payment is due under this Agreement shall bear interest at a rate equal to the lesser of:

- (1) the Prime Rate plus two percent (2%) per year, or
- (2) the maximum rate permitted by law,

calculated based on the number of days that payment is delinquent.

Section 3.5 Payment for Partial Royalty Payment Periods

If the Royalty Payment is payable for any period that is less than a Royalty Payment Period, the System Sales for such period will be deemed to be 1/28th of the System Sales for the Royalty Payment Period ending at the end of such period, multiplied by the number of days in such period and if any such Royalty Payment Period begins or ends before or after the Term, as if this Agreement had been in effect for the whole of such period.

Section 3.6 No Set-Off

Food Services shall not be entitled to set off against amounts payable by it under this Agreement any indebtedness or liability of any kind whatsoever of Partnership to Food Services, and Partnership shall not be entitled to set off against amounts payable by it under this Agreement any indebtedness or liability of any kind whatsoever of Food Services to Partnership.

Section 4.1 Appointment of Independent Accountants

Food Services shall appoint and at all times retain a firm of independent accountants of recognized national reputation and reasonably acceptable to Partnership to serve as the independent accountants (“Independent Accountants”) for purposes of preparing and delivering the reports required by Section 4.2. Food Services may not remove the Independent Accountants without first giving 60 days prior written notice to the Independent Accountants, with a copy of such notice also given concurrently to Partnership. Upon any resignation by such firm or removal of such firm, Food Services shall promptly appoint a successor thereto that shall also be a firm of independent accountants of recognized national reputation and reasonably acceptable to Partnership to serve as the Independent Accountants hereunder. If Food Services shall fail to appoint a successor to a firm of Independent Accountants which has resigned or been removed within 30 days after the effective date of such resignation or removal, Partnership shall be entitled to appoint a successor firm of independent accountants of recognized national reputation to serve as the Independent Accountants hereunder. The fees of such Independent Accountants and its successor shall be payable by Food Services.

Section 4.2 Annual Independent Accountants’ Reports

On or before March 15 of each year, Food Services shall deliver to Partnership a separate report of the Royalty Payments for the preceding fiscal year of Partnership, prepared by the Independent Accountants, together with their advice to the effect that their examination:

- (1) was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as they considered necessary in the circumstances;
- (2) included, if applicable, certain agreed-upon procedures in accordance with standards established by the Canadian Institute of Chartered Accountants, relating to the System Sales for such fiscal year based on procedures determined by Food Services, so that the Royalty Payments for such fiscal year could be computed in compliance with this Agreement; and

- (3) that the nature, scope and design of the procedures will not constitute an audit made in accordance with generally accepted auditing standards, the objective of which is the issuance of an opinion.

Section 4.3 Records

Food Services shall retain all data (including, without limitation, computerized records) relating directly to, or maintained in connection with, the Franchise Agreements and the calculation of Royalty Payments at the address of Food Services set forth in Section 12.11 or, upon 30 days' notice to Partnership, at such other place where the offices of Food Services are located, and shall give Partnership access to all such data at all reasonable times upon reasonable notice, and, Food Services shall, on demand and at the expense of Partnership, deliver to Partnership a copy of all data in its possession or under the control of Food Services (including, without limitation, computerized records) relating to the Franchise Agreements and the calculation of Royalty Payments. Section 5.2 No Contest

Food Services shall not dispute or contest for any reason whatsoever, directly or indirectly, the ownership, distinctiveness or enforceability of the A&W Marks or the validity of any registration therefor, nor directly or indirectly dilute or depreciate or attempt to dilute or depreciate the value of the benefits and advantages attaching to the A&W Marks, nor directly or indirectly impair or attempt to impair the distinctiveness of the A&W Marks, nor counsel, procure or assist anyone else to do any of such acts. Food Services acknowledges that all benefits and advantages associated with or arising out of the use of any of the A&W Marks by Food Services itself, or any of its licensees or Franchisees, including, without limitation, the whole of the advantage of the reputation identified with the use of the A&W Marks, shall enure entirely for the benefit of Partnership. If, despite the foregoing, any right, title or interest in or to any of the A&W Marks becomes vested in Food Services or any licensee or Franchisee thereof, Food Services shall hold in trust for Partnership and/or acquire the same to be held in trust for Partnership, as applicable, and shall, at Partnership's request, forthwith unconditionally assign any such right, title or interest to Partnership. Food Services acknowledges and agrees that it has no right, title or interest in or to the A&W Marks except the use of the same as set out in this Agreement, and that nothing in this Agreement shall be construed as an assignment or grant to Food Services of any right, title or interest in or to the A&W Marks.

Section 5.3 A&W Mark Standards

Food Services shall adhere in all respects to the standards (the "A&W Mark Standards") adopted by Partnership, acting reasonably, from time to time with respect to the character and quality of the Products

Section 5.4 Advertising

Food Services shall retain for inspection by Partnership representative samples of A&W Mark Advertising upon execution of this Agreement and immediately following the implementation of any new marketing direction or strategy which renders the then currently provided A&W Mark Advertising no longer reasonably representative. Food Services shall retain such samples for as long as Food Services deems necessary, but in any event for no less than six years from the date of implementation of such A&W Mark Advertising.

Section 5.5 No Depreciating Value

Food Services shall not do or suffer to be done any act, including any advertising or promotion, which has the effect of depreciating the value of, or bringing into disrepute, or otherwise reflecting negatively on, the A&W Restaurants Business or the A&W Marks.

Section 5.6 Public Notice

Food Services shall display the name of Partnership and indicate that the A&W Marks are used under licence on labels, packaging, signage, advertising, stationery, invoices, and other indicia in a manner and with sufficient frequency so as to bring this information to the attention of the public. Section 5.7 Inspection

Food Services shall, upon request made not more frequently than three (3) times per calendar year and upon reasonable notice, allow Partnership or its duly authorized representative to inspect during business hours its premises or any other premises at which Products and Services sold in association with the A&W Marks are manufactured or packaged or offered for sale or sold by or under the authority of Food Services to ensure that the nature, standard and quality of the such Products and Services are in accordance with Section 5.3; provided however that if any such inspection reveals a breach of the provisions of Section 5.3 at a given business location, Partnership, acting reasonably, shall then have the right to conduct such number of additional inspections at such location as may be appropriate in order to give effect to its rights pursuant to this Agreement. The reasonable out of pocket costs of such inspections shall be borne by Food Services. Further, Food Services shall pay on behalf of A&W Root Beer Beverages of Canada Inc. the reasonable out of pocket costs of all inspections of the licensee under the Beverages Agreement and/or any of its licensees or franchisees, as may be reasonably required in order for Partnership to monitor the use of any of the A&W Marks in association with the Excluded Beverage Products. Partnership shall use counsel acceptable to Food Services, acting reasonably, in the application, prosecution, registration and maintenance of the foregoing.

Section 6.2 Costs

Food Services shall bear the reasonable out of pocket costs of the application for and prosecution, registration and maintenance of the A&W Marks. Food Services will pay all invoices and/or accounts with respect to any of the foregoing costs within thirty (30) days of receipt of same.

Food Services shall execute all such documents and do all such things, and shall cause its licencees and Franchisees to execute all such documents and do all such things, as are required to assist Partnership in obtaining and maintaining registration of the A&W Marks.

Section 7.2 Consent to for Certain New Products and Services

Any new use referred to in Section 7.1(2) shall require the prior written consent of Partnership, which consent shall not to be unreasonably withheld or delayed, and, in any event, if Partnership does not give notice in writing that it does not consent within 30 days of its receipt of such notice, Partnership shall be deemed to have consented to such new use.

Section 7.3 A&W Mark Standards for Certain New Products and Services

Where Food Services has obtained the consent for a new use referred to in Section 7.1(2) and consulted with Partnership respecting standards for the control of the character and quality of same, Food Services shall have the right to issue in written form, with a copy to Partnership, standards for the control of the character and quality of such new uses, and such standards shall, provided that such standards are reasonable, be adopted by Partnership and deemed part of the A&W Manual for purposes of this Agreement.

Section 7.5 Extension of Licence

Upon notice from Food Services to Partnership pursuant to Section 7.1(1) or Section 7.1(3), or upon the adoption of standards pursuant to Section 7.3, Schedule B shall be deemed to include such trade mark or extension or addition and same shall be deemed to be an A&W Mark and to be licenced hereunder.

Section 7.6 Notice of Ceasing to Use A&W Marks

Food Services shall provide written notice to Partnership in the event that Food Services ceases using any one or more A&W Marks. Notwithstanding any cessation in the use of any such mark, such mark remains an A&W Mark hereunder for the purposes of Section 7.7.

Section 7.7 No Other Licences

Partnership shall not assign any A&W Marks or grant any other licence or rights to the A&W Marks to any other Person, and shall make no use of or otherwise exploit in any manner the A&W Marks, except as permitted by, and pursuant to the provisions of this Agreement and the Beverages Agreement. Except in accordance with Article 5 of the Beverages Agreement, Partnership will not amend the Beverages Agreement without the written consent of Food Services, which consent may not be unreasonably withheld or delayed, except that Food Services may withhold for any reason or without reason its consent to any change to the scope of the licence or the wares in association with which the Beverages Agreement permits the licensee to use the marks licenced thereunder.

Section 7.8 Preservation of A&W Marks

If Partnership intends to abandon any application or permit any registration to be expunged, or fail to renew any registration, or otherwise restrict or limit any application or registration for any A&W Mark,

Partnership will first notify Food Services and permit Food Services to assume the prosecution or maintenance of such application or registration.

Section 8.2 Reports of Compliance

Quarterly, Food Services shall provide Partnership with:

For the purposes of this Section, the business carried on by Partnership means the quick service restaurant business as mutually agreed upon by NPD Group Canada Corp. and the Canadian Foodservice and Restaurant Association and used in the survey known as "CREST" and which meets the following three criteria:

- (A) limited service (i.e. self service)

- (C) low average eater cheque.

The provisions of this Section shall not apply to a Person to whom this Agreement is assigned by Food Services or a Person who becomes an Affiliate of Food Services following a Change of Control ("Change of Control" as defined in the Governance Agreement).

Section 8.7 Use of the Core Marks

Except as expressly agreed to in writing by the parties, Food Services shall use all of the Core A&W Marks in the A&W Restaurants Business.

ARTICLE 9 REPRESENTATIONS AND WARRANTIES OF FOOD SERVICES

Food Services represents and warrants to Partnership, as of the date hereof, as follows:

Section 9.1 Organization and Good Standing

Food Services has been duly organized and is validly existing and in good standing under the laws of Canada, has qualified to do business and is in good standing in each jurisdiction where the character of its

properties or the nature of its activities makes such qualification necessary and where failure to so qualify would have a material and adverse effect on its ability to perform its obligations hereunder, and has full power, authority and legal right to own its property, to carry on its business as presently conducted, and to enter into and perform its obligations under this Agreement.

Section 9.2 Power and Authority; No Conflicts

The execution and delivery by Food Services of this Agreement and Food Services' performance of, and compliance with, the terms hereof are within the power of Food Services and have been duly authorized by all necessary corporate action on the part of Food Services. Neither the execution and delivery of this Agreement, nor the consummation of the transactions herein contemplated to be consummated by Food Services, nor compliance with the provisions hereof, will conflict with or result in a material breach of, or constitute a default (or an event which, with notice or lapse of time, or both, would constitute a default) under, any of the provisions of any Law applicable to Food Services or its properties or the charter or bylaws or other organizational documents and agreements of Food Services, or any of the provisions of any contract or other instrument to which Food Services is a party or by which it or its property is bound or result in the creation or imposition of any material lien, charge or encumbrance upon any of its property pursuant to the terms of any such contract or other instrument.

Section 9.3 Consents

Food Services is not required to obtain the consent of any other party or the consent, licence, approval or authorization, or registration or declaration with, any Governmental Authority, in connection with the execution, delivery or performance by Food Services of this Agreement, or the validity or enforceability of this Agreement against Food Services.

Section 9.4 Due Execution and Delivery

This Agreement has been duly executed and delivered by Food Services and constitutes a legal, valid and binding instrument enforceable against Food Services in accordance with its terms (subject to applicable insolvency Laws and to general principles of equity).

Section 9.5 No Litigation

Except as disclosed in writing by Food Services to Partnership prior to the date hereof, there is no action, suit, proceeding or investigation, at law or in equity, by any Person, nor any arbitration, administrative or other proceeding by or before any Governmental Authority (collectively, the "Litigation") pending, or, to the knowledge of Food Services, threatened in writing against or affecting Food Services or any of its respective properties or rights or any of its assets which would affect the consummation of the transactions contemplated herein or would have any effect or change that is or, as far as can be reasonably determined, is reasonably likely to be materially adverse to the results of operations, financial condition, assets, properties, or business of Food Services.

Section 9.6 Due Qualification

Food Services has obtained or made all material licences, registrations, consents, approvals, waivers and notifications of creditors, lessors and other persons, in each case, in connection with the execution and delivery of this Agreement by Food Services, and the consummation by Food Services of all the transactions herein contemplated to be consummated by Food Services and the performance of its obligations hereunder.

Section 9.7 No Default

Food Services is not now in default under any Contract or other instrument to which Food Services is a party or by which it or its properties is or are bound, or with respect to any order of any court, administrative agency, arbitrator or Governmental Authority, which would have a material adverse effect on the obligations of Food Services, taken as a whole, contemplated hereunder; and no event has occurred which with notice or lapse of time or both would constitute such a material default with respect to any such Contract or other instrument or with respect to any such order of any court, administrative agency, arbitrator or Governmental Authority.

ARTICLE 10 INFRINGEMENT AND INDEMNIFICATION

Section 10.1 Indemnity

Food Services agrees to indemnify and hold Partnership and its directors, officers, employees and agents harmless from and against any and all losses, liabilities, claims, demands, actions and causes of action (including all costs and legal fees in connection therewith) whatsoever that may be suffered or incurred by or threatened against any such indemnified party as a result of or arising in connection with:

- (1) the use or display by Food Services or any Franchisee or other sublicensee of any of the A&W Marks;
- (2) any Franchise Agreement; and
- (3) all other activities of Food Services pursuant to this Agreement.

Section 10.2 Discussions in the Event of Infringement of Third Party Rights

Where Partnership has received notice that any A&W Mark infringes the rights of any third party, Partnership shall notify Food Services of the same and, subject to Food Services' rights to conduct litigation set out in Section 10.4, the parties will discuss the appropriate course of action to be taken in respect of such A&W Mark, and only in the event that it is unlikely that Food Services will be able to provide to Partnership the indemnification set out in Section 10.1, the parties will agree, acting reasonably, on the appropriate course of action to be taken in respect of such A&W Mark.

Section 10.3 Insurance

During the Term, Food Services shall maintain with a reputable insurer insurance against such risks and to such limits as a prudent owner engaged in a similar business would carry.

Such insurance shall name Partnership as an additional insured. Food Services, at the request of Partnership, shall submit to Partnership certificates of insurance showing compliance with the

requirement set out in this Section and shall furnish to Partnership certificates, confirming the renewal of each of the said policies at least ten (10) days prior to the expiry of each such policy or renewal thereof. Partnership shall ensure that each such certificate states that the policy or policies referred to therein will not be cancelled or altered without at least thirty (30) days prior written notice to Partnership. If Partnership receives notice from any insurer regarding impending cancellation or lapse of any such policy due to the non-payment by Food Services of any premium instalments, Partnership may at its option pay the required premium instalments on behalf of and for the account of Food Services and Food Services agrees to promptly reimburse Partnership for all amounts so paid.

Section 10.4 Infringement

In the event that Partnership or Food Services becomes aware of actual or threatened infringement or violation of an A&W Mark, that party shall promptly notify the other party in writing. Subject to the rights of A&W Root Beer Beverages of Canada Inc. under the Beverages Agreement, Food Services will have sole conduct of all legal proceedings and negotiations relating to the A&W Marks unless Food Services refuses or fails to initiate proceedings within two months after Partnership requests same or Partnership is sued for exploiting the A&W Marks, and in any such event Partnership will be entitled to institute proceedings in respect of its own interests. If a party commences an infringement or passing off action against such third party infringer, the other party shall have the right to join in and participate in such action at its own expense. In any event, Partnership and Food Services shall assist one another and cooperate in any infringement or passing off litigation involving any A&W Marks at the other's reasonable request without expense to the requesting party.

Section 10.5 Expenses

Partnership and Food Services shall recover their respective actual out-of-pocket expenses, or equitable proportions thereof, associated with any litigation or settlement thereof from any recovery made by any party. All further amounts recovered shall be divided between the parties equitably, having regard to the relative harm done to each of them for which the recovery was made. If the parties cannot agree on the equitable division of such recoveries, either party may refer the matter to arbitration in accordance with Section 12.2.

Section 10.6 Consultation

Partnership and Food Services shall keep each other informed of the status of their respective activities regarding any actual, pending or threatened litigation or settlement thereof concerning the A&W Marks. In connection with the foregoing, each shall provide the other with copies of all correspondence, court documents, settlement agreements and all other relevant documents and agreements respecting the same. Neither party may settle any infringement or passing off action without the prior written consent of the other party, not to be unreasonably withheld or delayed.

ARTICLE 11 TERM AND REMEDIES

Section 11.1 Term

This Agreement and the rights and licences hereby granted shall be effective from the date hereof and terminate 99 years after December 31, 2001, namely, on December 30, 2100 (the "Term").

Section 11.2 Right to Accelerate on Event of Insolvency

If an Event of Insolvency occurs, Food Services will immediately pay to Partnership, without demand therefor by Partnership, the Present Value of all Royalty Payments. The parties agree that the Present Value of all Royalty Payments is a genuine pre-estimate of damages for loss of bargain and not a penalty, and is not expected to be greater than the amount Partnership would have received if Food Services had performed its obligations hereunder. The parties acknowledge and agree that:

- (1) because the A&W Marks are closely connected with the A&W Outlets and this Agreement does not provide for any right of termination by Partnership or otherwise, Partnership is not required to mitigate its damages or to seek to terminate this Agreement and attempt to licence the A&W Marks to any other person in mitigation of its damages;
- (2) if an Event of Insolvency occurs, such Event of Insolvency would give rise to a justifiable apprehension in Partnership that Royalty Payments would not be made;
- (3) the A&W Marks have a unique and distinctive character which has its greatest value in conjunction with the A&W Restaurants Business and may be of limited or minimal value if separated from the A&W Restaurants Business, and
- (4) the parties have specifically considered, negotiated and agreed that in the event the occurrence of an Event of Insolvency it is just and appropriate that the Present Value of all Royalty Payments became immediately due and payable.

Section 11.3 Declaration of Material Breach

Partnership may, at its option and in its sole discretion, declare Food Services in material breach (“**Material Breach**”) of this Agreement immediately upon written notice to Food Services if (i) any one or more of the following events have occurred; and (ii) the security of the General Security Agreement has become enforceable and Partnership has taken any step or proceeding to enforce the same (other than solely providing a notice of default):

- (1) any resolution is passed, order made or other steps taken for the winding up, liquidation or other termination of the existence of Food Services other than permitted by this Agreement, the General Security Agreement or the Governance Agreement;
- (2) Food Services ceases to carry on business; or
- (3) Food Services defaults in the performance or observance of any of the covenants, agreements, terms, conditions or provisos hereof on Food Services’ part to be kept, observed or performed and such default continues for a period of 60 days after written notice thereof by Partnership to Food Services setting forth the nature of the default. If such default is a non-monetary matter that is capable of being cured but cannot reasonably be cured within such 60 day period, Food Services may extend the 60 day period to a maximum of 120 days after the Notice of Default if Food Services shall within the said 60 day period submit to Partnership a written statement stating (a) that such default is capable of being cured but cannot reasonably be cured within the said 60 day period, and (b) the program or schedule (with an estimated completion date of no later than 120 days after the notice of the default is received by Food Services) that Food Services proposes to undertake in order that such default may be cured but Food Services may not extend such 60 day period unless: (i) Food Services shall thereafter diligently

commence and diligently continuously carry out to conclusion all acts necessary to cure such default and shall continue diligently to carry out all such acts until such default is cured, considering the nature of such default and shall cure such default within a maximum of 120 days after notice thereof; and (ii) during such 120 day period there is no material impairment of the value of the assets of Food Services or Partnership or the security granted by Food Services to Partnership, and if Food Services after such 60 day period shall fail to diligently commence or diligently carry out as required by (i) above or if there is a material impairment as set out in (ii) above, Partnership may immediately declare Food Services in Material Breach without further or other notice of breach or opportunity to cure.

Section 11.4 Prepayment upon Declaration of Material Breach

In the event Partnership declares a Material Breach to occur, Food Services will immediately pay to Partnership, without demand therefor by Partnership, an amount equal to the total of the Royalty Payments payable by Food Services to Partnership for the 52 week period immediately preceding the date upon which Partnership declares a Material Breach to occur. Such amount will be paid as a prepayment to be applied to the Royalty Payment due in the last 52 weeks of the Term and shall be held without interest by Partnership until the last 52 weeks of the Term or until Partnership shall choose, in its discretion, to apply all or part of such amount to Royalty Payments becoming due and owing hereunder. In the event Partnership chooses to apply all or part of such amount to Royalty Payments becoming due and owing hereunder, Food Services shall immediately pay an equal amount to Partnership so that Partnership shall always hold as a prepayment an amount equal to the total of the Royalty Payments payable by Food Services to Partnership for 52 week period immediately preceding the date upon which Partnership declares a Material Breach to occur. Partnership may, in its discretion, accept such deposit or prepayment by way of an unconditional letter of credit issued by a financial institution approved by, and in a form and on terms acceptable to, Partnership. Food Services shall be entitled to direct Partnership to apply the prepayment to current unpaid Royalty Payments if it makes corresponding payment to Partnership in an equal amount to maintain the prepayment.

Section 11.5 Subordination of the Accelerated Payment

- (1) **Agreement to Subordinate.** Partnership agrees with Food Services that the payments to be made by Food Services to Partnership under Section 11.2 or Section 11.4 (each such payment herein called an “**Accelerated Payment**”), shall be, and is hereby made, subordinate and subject in right of payment, to the extent and in the manner hereinafter set forth in the following subsections of this Section 11.5, to the prior payment in full of all Permitted Indebtedness (“**Permitted Indebtedness**” as defined in the General Security Agreement), whether now outstanding or hereafter incurred.
- (2) **Distribution on Dissolution, etc.** Upon any distribution of the assets of Food Services upon any dissolution or winding-up or total liquidation of Food Services (whether in bankruptcy, insolvency or receivership proceedings or upon an assignment for the benefit of creditors of Food Services or otherwise), or upon any distribution of the assets of Food Services by a receiver or receiver-manager appointed by Partnership, any creditor of Food Services or by an order a court of competent jurisdiction, payments will be made in the following order, subject to the rights of holders of a security interest in Partnership Securities (as defined in the General Security Agreement) or holders of other prior ranking charges:

- (a) all Royalty Payments (but not any Accelerated Payments) that would have been due and unpaid to the date of distribution but for the application of Section 11.2 or Section 11.4, as the case may be, plus interest thereon;
- (b) all costs of Partnership arising from or related to the default of Food Services, including all costs provided for in the General Security Agreement;
- (c) principal, interest and costs of collection of the Permitted Indebtedness;
- (d) any Accelerated Payment remaining unpaid; and
- (e) any Royalty Payments remaining unpaid and not included within an Accelerated Payment,

Subject to applicable law and the claims, if any, of other creditors of Food Services, any surplus will be paid to Food Services.

- (3) **Payment on Delivery of Assets.** Any payment or distribution of assets of Food Services, whether in cash, property or securities, to which Partnership would be entitled except for the provisions of this Section 11.5, shall be paid or delivered by the trustee in bankruptcy, receiver, assignee for benefit of creditors or other liquidating agent making such payment or distribution, directly to the Persons entitled thereto or their representative or representatives, to the extent necessary to pay the amounts set out above in full after giving effect to any concurrent payment or distribution, or provision therefor, to the persons entitled thereto.
- (4) **Payments in Trust.** In the event that, notwithstanding the foregoing, any payment or distribution of assets of Food Services, whether in cash, property or securities, shall be received by any Person not entitled thereto as herein provided, such payment or distribution shall be held in trust for the benefit of, and shall be paid over or delivered to the Persons entitled thereto as herein provided.
- (5) **Reliance on Certificate.** Upon any payment or distribution of assets of Food Services referred to in this Section 11.5, the parties hereto shall be entitled to rely upon a certificate of the trustee in bankruptcy, receiver, assignee for benefit of creditors or other liquidating agent making such payment or distribution, for the purpose of ascertaining the persons entitled to participate in such distribution, the holders of the Permitted Indebtedness and other indebtedness of Food Services, the amount thereof or payable thereon, the amount or amounts paid or distributed thereon and all other facts pertinent thereto or to this Section 11.5.
- (6) **Subrogation of the Accelerated Payment.** Subject to the payment in full of all Permitted Indebtedness, to the extent that Food Services, or the trustee in bankruptcy, receiver, assignee for benefit of creditors or other liquidating agent making such payment or distribution, has made any payment or distribution of assets to holders of Permitted Indebtedness pursuant to Section 11.5(2), Partnership shall be subrogated to the rights of the holders of Permitted Indebtedness to receive payments or distributions of assets of Food Services made on the Permitted Indebtedness, until the Accelerated Payment shall be paid in full, and no such payments or distributions to the holders of Permitted Indebtedness, of cash, property or securities which otherwise would be payable or distributable to Partnership shall, as between Food Services, its creditors other than the

holders of Permitted Indebtedness, and Partnership, be deemed to be a payment by Food Services to Partnership on account of the Accelerated Payment, it being understood that the provisions of this Section 11.5 are and are intended solely for the purpose of defining the relative rights of Partnership, on the one hand, and the holders of Permitted Indebtedness, on the other hand.

- (7) **Rights of Partnership Reserved.** Except as specifically herein set out, nothing contained in this Section 11.5 is intended to or shall impair, as between Food Services and its creditors (other than the holders of Permitted Indebtedness), the obligation of Food Services, which is unconditional and absolute, to pay to Partnership the Accelerated Payment, as and when the same shall become due and payable in accordance with the terms hereof, or affect the relative rights of Partnership and creditors of Food Services other than the holders of the Permitted Indebtedness, nor shall anything herein or therein prevent Partnership from exercising all remedies under the General Security Agreement otherwise permitted by applicable law upon default under the General Security Agreement of this Agreement, subject to the rights, if any, under this Section 11.5 of the holders of Permitted Indebtedness in respect of cash, property or securities of Food Services received by Partnership upon the exercise of any such remedy.
- (8) **Right to Payment of Royalty Payment Preserved.** Except as specifically herein set out, nothing contained in this Section 11.5, shall affect the obligation of Food Services to make, or prevent Food Services from making, at any time, the Royalty Payment or affect any payments of amounts equal to the Royalty Payments that are not paid.
- (9) **No Knowledge without Notice.** Notwithstanding the provisions of this Section 11.5, Partnership shall be not be charged with knowledge of the existence of any Permitted Indebtedness or of any default in the payment thereof, unless and until Partnership shall have received written notice thereof from Food Services or from the holder of any Permitted Indebtedness or from the representative of any such holder.
- (10) **Subordination Not to be Impaired.** No right of any present or future holder of any Permitted Indebtedness to enforce subordination as herein provided shall at any time in any way be prejudiced or impaired by any act or failure to act on the part of Food Services or by any act or failure to act, in good faith, by any such holder, or by any non-compliance by Food Services with the terms, provisions and covenants of this Agreement, regardless of any knowledge thereof which any such holder may have or be otherwise charged with.
- (11) **Agreement with holder of Permitted Indebtedness.** Partnership will enter into an agreement with a holder or holders of Permitted Indebtedness as requested by Food Services from time to time as may be necessary or appropriate to acknowledge and effectuate the subordination of the Accelerated Payment to the payment of Permitted Indebtedness as provided in this Section 11.5.
- (12) **Right of Food Services to Create Additional Permitted Indebtedness.** Nothing contained in this Agreement shall be construed or interpreted as prohibiting, limiting or restricting the right of Food Services to create, assume or incur Permitted Indebtedness, from time to time hereafter or, subject to the terms of the General Security Agreement, from mortgaging, pledging, assigning, charging or in any way encumbering any or all of its properties to secure any Permitted Indebtedness, now existing or hereafter created, assumed or incurred by Food Services.

Section 11.6 Remedies

Partnership and Food Services agree that, in the event of breach of this Agreement by Food Services, Partnership's sole remedies shall be:

- (1) a judgment for payment of any and all monetary amounts that are due and owing by Food Services to Partnership pursuant to this Agreement and enforcement of any such judgement;
- (2) the remedies of Partnership under Article 11;
- (3) the remedies to which Partnership is entitled under the General Security Agreement;
- (4) injunctive relief to enjoin further breach of this Agreement;
- (5) specific performance by Food Services of Food Services' obligations hereunder;
- (6) damages if and to the extent the Royalty Payment is impaired as a result of the wilful misconduct of Food Services or a fraudulent or grossly negligent act or omission by Food Services; and
- (7) recovery of costs associated with seeking and obtaining such judgement, injunctive relief, specific performance or damages.

Partnership may exercise the foregoing remedies concurrently.

Section 11.7 Rights and Obligations on Termination

Upon termination or expiration of this Agreement for any reason, Food Services shall have a reasonable time to cease all use of the A&W Marks. Further, all amounts owing from either party to the other as of the date of any such termination or expiration shall become immediately due and payable. Within thirty (30) days of the expiration or termination of this Agreement, Food Services will effect a change of its corporate and business name(s) to remove "A&W" or any term confusingly similar thereto from any and all such names.

ARTICLE 12 MISCELLANEOUS

Section 12.1 Force Majeure

If the performance of any part of this Agreement by either party, or of any obligation under this Agreement is prevented or delayed by reason of force majeure, the party affected may give written notice to the other containing reasonable particulars of the force majeure in question and the effect of such force majeure as it relates to the obligations of the affected party hereunder. Such force majeure will not constitute a default hereunder, provided that the party affected by the delay makes reasonable efforts to correct the reason for such delay and such force majeure does not harm or impair the A&W Marks. "Force majeure" does not include the inability of either party to obtain financing or any other financial inability on the part of either party.

Section 12.2 Arbitration

In the event of any dispute arising between the parties concerning this Agreement, its enforceability or the interpretation thereof, the same shall be settled by a single arbitrator appointed pursuant to the provisions of the *Commercial Arbitration Act* (British Columbia), or any successor legislation then in force. The place of arbitration shall be Vancouver, British Columbia. The language to be used in the arbitration proceedings shall be English. This Section 12.2 shall not prevent a party hereto from applying to a court of competent jurisdiction for interim protection such as, by way of example, an interim injunction.

Section 12.3 Assignment

Neither party shall assign its interest in this Agreement or any part hereof without the prior written consent of the other party, except that:

- (1) Partnership and Food Services (each, an “Assignor”) may each assign this Agreement and all benefit thereof as security for bona fide loans from one or more institutional lenders (each, a “Lender”), provided that any such Lender has agreed by written instrument, in form and substance satisfactory to the other party to this Agreement, acting reasonably (such instrument to be delivered to such other party prior to the assignment as security becoming effective or attaching) that:
 - (a) the rights and interest of the Lender are subject to the rights and interests of the other party under this Agreement;
 - (b) prior to realizing on such security, the Lender will provide notice to such other party giving it a reasonable opportunity to cure the default given the nature of the default; and
 - (c) should such security be realized upon with the result that the interest of the Assignor is vested in an assignee, acquirer or other successor in interest, including the Lender (the “Successor”), then the Lender will cause such Successor to be bound by all the provisions of this Agreement in all respects and to the same extent as the Assignor was bound, and provided further that the Assignor will continue to be bound by all the provisions of this Agreement as if such transfer of interest had not occurred and will perform any obligations hereunder to the extent that the Successor fails to do so; and
- (2) Food Services may assign this Agreement and all benefit thereof in conjunction with the sale or transfer of the whole (but not a part) of its business associated with the A&W Marks, provided that:
 - (a) prior written notice of such assignment is given to Partnership; and
 - (b) Food Services has complied with its obligations under the Governance Agreement respecting Partnership’s right of first offer at such time.

Section 12.4 Entire Agreement

Except as otherwise set out herein, this Agreement constitutes the entire agreement between the parties relating to the licence of the A&W Marks granted hereby and supersedes all previous writings and understandings. No term or provision of this Agreement shall be varied or modified by any prior or

subsequent statement, conduct or act of either of the parties, except that the parties may amend this Agreement by written instrument specifically referring to and executed in the same manner as this Agreement.

Section 12.5 No Partnership

Nothing in this Agreement shall be deemed or construed to constitute or create between the parties hereto a partnership, association, joint venture or agency.

Section 12.6 Further Assurances

The parties agree that they will execute all necessary or desirable documents and generally provide such further assurances as may be required in order to enable compliance with all obligations hereunder.

Section 12.7 Binding Effect

This Agreement shall be binding upon and enure to the benefit of the parties hereto and their successors and permitted assigns.

Section 12.8 Severability

If any provision of this Agreement is determined to be invalid or unenforceable in whole or in part, such invalidity or unenforceability shall attach only to such provision or part thereof and the remaining part of such provision and all other provisions hereof shall continue in full force and effect. The parties shall use all commercially reasonable efforts to promptly replace any severed provision with one of the same business purpose or effect.

Section 12.9 Survival

The parties' obligations under Section 6.3, Section 10.1 and Section 11.7 shall survive the termination or expiration of this Agreement.

Section 12.10 No Waiver

Any waiver of breach or failure by a party to require performance under this Agreement shall not constitute a waiver of any subsequent or further breach or prevent such party from requiring performance thereafter.
